Dr. F.C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

In making preparations for the banquet next Wednesday I find that I need some additional information on the movies which you will bring with you.

It is necessary that I know whether or not the movies are sound or silent pictures. Also the number of reels you plan to bring and the approximate running time of each.

Thanking you for this information, I remain,

Most sincerely,

Edward Weilepp
