Mr. F. C. Allen  
Lawrence, Kansas

Dear Mr. Allen:

We would be pleased to have you as our guest speaker for our Athletic Banquet March 25. We have a nice little city here, 800 or 900 good cooperative souls, and never have any trouble selling our space quota of 150 tickets for this annual affair.

If the above date conflicts with your schedule please suggest others. Also about what would your charges for this trip?

Yours very truly,

Warren C. Conner
