Dear Mr. Borgna:

Your very good letter of the 11th instant has been received. I already have speaking dates on March 24 in Kansas City and March 25 and 26 at Chase, Kansas, and at McPherson, Kansas. I am wondering if April 1 would suit you. I have a speaking date in Kansas City on April 2 and a budget committee meeting here at the University in the afternoon.

In addition to this I am coaching a Varsity baseball team and feel as if I am taking some time away from them. Yet I realize that I owe something to the basketball situation and it is for that reason I am making these speaking dates.

The state of Kansas does not provide traveling expenses, and since I drive my own Buick Roadmaster and have to pay the expenses, I find that the least I can possibly get along on is five cents per mile each way. I make no charge for addresses given within our own state.

Therefore, if you can stand the automobile traveling expenses I would be glad to speak to your athletic banquet. Since my time schedule is so limited I find it necessary to use the automobile to go from place to place in order to keep up with my teaching and my coaching schedule.

If this is agreeable with you kindly state the time of your banquet and its meeting place.

Very cordially yours,
