Dr. Forrest C. Allen  
Kansas University  
Lawrence, Kansas

Dear Dr. Allen:

Do you have May 20 taken on your commencement dates? We would like to have you give the commencement address to our high school if you are open and we can meet your price.

Please let me know about the above date and the price you charge for giving a commencement address.

Very sincerely yours,

  
Brice Durbin, Superintendent

Burns High School
