Lt. j.g. Robert E. Allen
U. S. Naval Receiving Hospital
Geneva Avenue & Moscow Street
San Francisco 12, California

Dear Bob:

This is a little data on Bob Hendren of whom you spoke when you were in town. I wanted you to know that I had followed every lead regarding this good boy.

Sometimes they do not follow through after you write them. This is of course, the usual thing. Wish I had time to write more but Saturday is a short and busy day.

Affectionately,

Director of Physical Education,
Varsity Basketball Coach
