

March 14, 1941

Mr. W. C. Kampschroeder  
Superintendent  
Eureka Public Schools  
Eureka, Kansas

Dear Mr. Kampschroeder:

Thank you for your very good letter of the 13th instant. Yes, I knew that you were a graduate of the University of Kansas. Mr. Chandler and I often talk about you. He thinks you are a dandy and I assure you that I can go right along with him in that regard.

Thank you for your good wishes regarding the Big-Six Conference basketball race. Personally, I feel that our boys outdid themselves to gain a tie. They are a most exceptional group of boys, and I am very very proud of them. Their academic standing exceeds even their athletic accomplishments.

Yes, I do recall that you telephoned me about speaking in Eureka and I was sorry I could not be there. It will be a pleasure for me to endeavor to be with you either April 28 or 29 or May 1. I will let you pick the specific date if it would suit you better.

The University of Kansas does not make any provision for our traveling expenses and since I drive a Buick Roadmaster, it is necessary that I get 5¢ per mile each way to break even. I know it would be much less expensive if I drove a Ford puddle-jumper, but after I do a pretty good day's work and then go out and drive a couple hundred miles I find I am not in too good shape to deliver a decent talk. For that reason I drive a larger car and save myself, although I spend more money doing it.

I imagine the expense of transportation will be around \$20.00. Of course, there is a small incidental expense of going and coming that should amount to a couple of dollars. I have never made it a point to fix any charge for speaking to our people in Kansas so if you can meet this figure quoted above I assure you it would be a pleasure for me to be with you.

I would appreciate hearing from you at your convenience confirming the date and giving me your desires.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
