Dear Mr. Wellepp:

I have your letter of March 3 regarding my speaking before your Rebounders Club on March 26, at 6:30 P.M. I would appreciate your letting me know where the banquet will be held.

I shall be happy to bring some films along with me. The size of all our films is 16 mm.

I am enclosing a mat and an excerpt from "Who's Who in American Sports".

Sincerely yours,
