

Dr. F. C. Allen--2--March 13, 1941

We shall let you know by return mail if we think that we can take care of the necessary expenses as stated in your response to this letter. Also, if none of these dates is open on your calendar, please suggest other dates for consideration which are still open so that we might consider them in light of our own community and school activities.

I want to congratulate you personally and the basketball team as well for the fine showing which they have made this year in the Big Six conference race. I am very proud of your record as coach of the basketball team at KU. It may be of some interest to you that I graduated from the University in June, 1927.

Trusting that we may have a favorable reply from you at an early date, I remain,

Sincerely yours,

*H. C. Kungshroeder*
