Mr. Forrest C. Allen

Dear Mr. Allen:

I am writing this letter in regard to your addressing us at our Board-Teacher Banquet, which is to be held March 18, 1941.

For your topic, I should like to have you present something which would be quite suitable for both the teachers and the School Board members. Please let me hear from you at once in regard to this matter.

Yours very truly,

*Ethel Seymour*
