Mr. John McCormick
Knoxville High School
Knoxville, Iowa

Dear Mr. McCormick,

I will be very happy to be with you on Monday, November 24
and I will bring one of ^{my personal} ~~my~~ basketball films with me. I
trust that you have a projector at your school.

I am not very good at operating the machines so I would prefer that you arrange for someone at the school to operate it if that is possible.

I am afraid that I will be unable to be present at the Assembly at 3:30 as my present class schedule will keep me here in the morning. However, I will let you know ahead of time if I should find that I can arrange to be in Knoxville at that time.

Looking forward to being with you I am with all good wishes

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
