Dr. F. C. Allen, Athletic Director
University of Kansas
Lawrence, Kansas

Dear Sir:

It has been the custom of the Lions Club of Cape Girardeau, Missouri, to entertain the members of the Teachers College and Central High School football teams at a dinner immediately after the close of the football season.

As a speaker on these occasions, we have attempted to get a man who is prominent in athletics in this section of the country. We realize, of course, that you are perhaps busiest after the football season has ended. However, we are wondering if you would consider an engagement during the last week of November or the first two weeks of December. The night would have to be Tuesday, Wednesday or Thursday.

Please let me hear from you in the near future as to whether or not you will consider such an engagement, and if so what will be your terms.

Yours truly,

800 Broadway,
Cape Girardeau, Missouri
