

January 14, 1942.

Mr. Harry C. Herman,  
Room 1014,  
19 So. LaSalle St.,  
Chicago, Illinois.

Dear Mr. Herman:

Thank you for your letter of the 12th instant.

We play in Iowa City on January 29th, and will come to Chicago directly from there on the Rock Island. We leave Iowa City at 9:15 Friday morning, the 30th, and will arrive in Chicago at 1:15 p.m.

I want to do some shopping before the day is over, but I will of course be glad to cooperate with Bob Elston in a radio interview. I have been on the air with him twice before - I believe about 6 o'clock each time.

We would like to practice for about an hour sometime during the afternoon Friday, but I shall arrange that with Mr. Morse.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
