Miss Emily McKenzie,  
Washington Rural High School,  
Bethel, Kansas.

Dear Miss McKenzie:

Thank you for your very kind letter of the 19th instant. I shall be very happy to speak at your assembly program on the afternoon of March 27, at which time you honor the athletes of your high school.

The University does not provide travel expenses for such trips, and I find it necessary to charge 6¢ a mile each way for making the trip.

If this is satisfactory with you I shall be happy to hear from you again.

Very sincerely yours,
