Dear Sir:

On the afternoon of March 27, we plan to have an assembly program honoring the athletes of our high school. In previous years we have done this at a banquet given in their honor, but the boys requested that we spend our money for national defense instead of feeding them. In view of this fact, we are very eager to plan a program that will be of unusual interest to each of them. We would like very much to have you as the speaker for the afternoon. We would appreciate an early reply as to whether it will be possible for you to come and what the charges will be.

Sincerely,
