Dear Rev. Noland:

I have just returned from Columbia, Missouri where we played the University of Missouri in basketball last night, and I find your letter of the 17th awaiting me.

We play Missouri here at Lawrence in baseball on May 5 and 6, and since the games are not called until after 3:30 P.M., they never finish before 6:00. I do not know that I would be able to get there at 7:00 P.M. because of the fact that I would have to dress after the game. It is not always possible to rush away immediately after a game because there are always things to do.

I would make no charge except for my automobile which I drive, and that costs me 6¢ a mile each way to keep up a Buick Roadmaster. I find that I can make no money on 6¢ a mile.

If you feel that I could come a little later than 7:00, or as soon as possible thereafter, and if the financial arrangement is agreeable, I would be glad to come. I should like to have Mrs. Allen accompany me if she feels she could arrange it. I am sure I would have a very enjoyable time meeting with your group.

No, I have not forgotten you and it would be a pleasure to have another visit with you.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
