

FIT TO BE FREE

Lacking health, all other forms of preparedness for war and peace avail us nothing.

Freedom of Worship has no meaning to a person who has no God;

Freedom of Speech is of little value if one has nothing to say;

Freedom from Fear is of little use if one knows not what to fear;

Freedom from Want is meaningless unless one's wants are defined; and

WITHOUT HEALTH, ONE HAS ONLY THE FREEDOM TO DIE.

American Association for Health, Physical Education, and Recreation

A DEPARTMENT OF THE NATIONAL EDUCATION ASSOCIATION
