Dear Dr. Allen:

Thanks very much for your kind letter of February 28. I will appreciate hearing from you as to whether or not your date at McPherson is definite on March 26.

If the date is definite, we will be happy to see you on April 2. In my letter I mentioned April 4, but this was an error as April 2 falls on Wednesday and Wednesday is our meeting day. I know that you have been busy in winning basketball games but would appreciate a note from you confirming either the March 26 or April 2 date.

I received a letter from Fen, who is back in Philadelphia as a Marine Lieutenant, and he is receiving some excellent training which I believe will be of great benefit to him. He comments on the fact that "Doc" is handling the Big Six in stride.

Fraternally yours,

Dana Durand
