

DIRECTIONS FOR REPORTING GRADES AT END OF TERM:

Do not report F and D grades on the Navy V-12 Blue Cards

Engineering Navy V-12 Trainees

Report D and F grades on the orange and the red cards sent you from the Engineering Office. These grades are due at Dean Jones' Office, Marvin Hall, by noon on June 28.

Pre-Medic V-12 Students

Report F and D grades to the College Office by noon, June 28. The red cards for reporting F grades have been sent to you. It will be necessary, however, to call at Dean Lawson's Office to secure the orange cards on which to report your D grades.

Navy V-12 students are going to be pre-registered on the afternoon of June 20, 1944, from 2 until 6. It may be that some of the students in the tutorial Physics class will be late for their appointment or will ask to be excused so that they may register in case their regularly scheduled classes prevent them from doing so prior to 4:30.
