

INSTRUCTIONS FOR MUSTERING TRAINEES FOR PHYSICAL TRAINING AND DRILL (INDOORS AND OUTDOORS: EXCEPT SWIMMING)

1. Form one platoon of three squads.
2. Arrange according to height.
3. Tallest man in each squad designated as squad leader.
4. Select a platoon commander.
5. Select small men as right and left guides.
6. Trainees will fall in at attention and then go immediately to parade rest.
7. Platoon commander calls platoon to attention. Platoon Leader commands, "Squad leaders take a muster!" - on the word muster all squad leaders step one pace forward - left face and check attendance in each respective squad. After ample time, platoon leader commands, "Squad Leaders Report!"
 - _____ First Squad - "All men present."
 - Second Squad - "All men present "
 - Third Squad - "Jones, O. R. absent sir".

Specialist in charge of class checks names absent as squad leaders report to Platoon Leaders. Platoon Commander - "Squad leaders post!" On the word "post", all squad leaders left face - step forward one pace then about face to resume original position. Specialist double checks names with platoon leader.

The above procedure is to be used for all physical training classes and drill. (Exception - Swimming classes).
