

February 24, 1944.

Dr. Leonard Axe,
Navy V-12 Unit,
University of Kansas.

Dear Leonard:

You have been most helpful to us with your many kindnesses and courtesies in enabling us to carry on intercollegiate athletics during this hectic war period. I know what tensions you have been subjected to, and your uniform courtesies will always be remembered

I trust that we may have an opportunity to reciprocate your many kindnesses.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
