

V-12

(b) The Contractor will provide the services of a director of physical education and the equivalent of two qualified physical instructors in connection with the Physical Training Program of the Training Unit. All matters relating to such instruction, including the instructors, the method of instruction and the supplies and equipment, shall meet the requirements of the Department. The Government will pay the Contractor compensation for providing instruction at the rate of \$735.00 per month beginning July 1, 1943.
