

October 10, 1944.

Mr. Earl Ammons,  
Ritz Building,  
Tulsa, Oklahoma.

Dear Rokerusher:

It was good to see you and have a visit with you last Saturday. I could go on indefinitely telling you of the many pleasant contacts that I had and of my great delight in chatting around the festive board with you and other Kansas luminaries. But we will wait until the next bullfest before we tell the rest of our story.

I am sending you a Jayhawk Rebounds, a monthly letter I write to our boys, former athletes at Kansas, who are now in the service. While you will know a few of those athletes, there are some angles that you perhaps would like. I will put you on the permanent mailing list, and if there is any contribution in the way of greetings that you would like to express to the boys, drop me a line and we will have you in our next Jayhawk Rebounds with anything you would like to say.

With all good wishes, I am

Very sincerely yours,

FCA:AH

ARMY SERVICE FORCES  
K. C. OFFICER PROCUREMENT DISTRICT  
500 PORTER BLDG., 34TH & BDWY.  
KANSAS CITY 2, MISSOURI

Dear Sir:

Again we need your help. We are writing you because men in your position are most likely to know qualified individuals for these positions.

This office has been directed by Washington Headquarters to procure Physical Reconditioning Officers for the Army. Those accepted will be commissioned as Captains and Majors.

They will attend a four weeks' training course at Lexington, Virginia. After completion of the course they will be assigned to Service Commands, General Hospitals and Convalescent Hospitals to take charge of the reconditioning program.

Only very high calibre men are desired. They must possess a strong capacity for leadership and organization; have a working knowledge of technical aspects of physical and educational reconditioning, and be ingenious and resourceful in adapting this program to the needs of patients assigned thereto.

Qualifications:

(1) Education Must hold a Master's or Doctor's Degree in physical education or related fields: such as, medicine, physiology, public health, or hygiene. A minimum of at least fifty semester hours in physical education in under graduate and graduate courses is required, which will include a combined total of twelve semester hours in the two subjects of anatomy and physiology, or twelve semester hours in kinesiology. Study in corrective physical education is desirable.

(2) Experience Must have had at least ten years of successful supervisory and administrative experience gained in directing the physical education program in a college or university, in larger high schools in major cities, or in large public school systems. Experience in coaching is not of primary importance. Experience in the teaching of class work in physical education and in organization and administration of physical education programs is of greater importance.

(3) Age Minimum age thirty-eight; maximum age fifty-five.

If you know a qualified man whom you believe would be interested will you please send us his name and address? Your assistance in this matter will be very much appreciated.

Very truly yours

EARL F. RECKNOR  
MAJOR, INF.

Dear Henry:

Thank you for your very good letter concerning the bid. Mr. Bayles called me upon his return from his vacation and he is getting in touch with the State Architect and having him come down. This should happen in the next few days.

Yes, Kansas did show those Texans plenty of scrap and we were very proud of our Kansas team.

I am sending Larry Winn a Jayhawk Rebounds.

Dear "Phog":

I mailed a bid to Mr Bayles yesterday for tiling the shower room walls in Robinson Gym. I was unable to do so before because we were waiting for a reply to one of the tile factories back east so just as soon as we received the reply to our <sup>wire</sup> we mailed the bid to Mr Bayles. The reason I am telling you this is to let you know that I was not neglecting the matter.

I want you to know that I appreciate very much your kindness and effort in letting me figure the job.

Best regards to you and yours, and may K U show those Texians some of the stuff they showed in the first game against Washburn.

Sincerely.

P.S. Mail Lary Winn of the Winn-Senter Const Co in the Railway Exchange Bldg at 7th & Walnut one of those JAYHAWK REBOUNDS he wants to see one. I showed him the one I had and he said he would like to get one.
