CORRESPONDENCE WITH THE BUREAU

It has been brought to my attention by Lt. Michelman that some instructors have been writing to the Bureau of Naval Personnel concerning the V-12 Program. I have been requested to pass along the information that correspondence to naval authorities, relative to the V-12 Program, must be transmitted via the Commanding Officer of this unit.

MID-SEMESTER GRADES

The names of 121 Navy V-12 trainees appear on the January restriction list. This represents a 24% improvement over the mid-semester report last term. Letters from this office have been mailed to the parents of the trainees whose names appear on the restriction list informing them of the courses in which their sons were making unsatisfactory grades at mid-semester. Your cooperation in reporting the grades on time is greatly appreciated.
