Pierson, W. T.	12-2-43	"

Please Note:

It is not necessary to report the absences as of 30 November, 1943. The achievement tests were given on that date.

The first grade reports were due December 1, 1943. The promptness with which these grades have been reported has been disappointing. Please arrange your examinations so that the grades due January 3, 1944, may be reported on that date.
