Please report all F and D grades for Navy V-12 engineering students to the Office of the Dean of the School of Engineering on the red and orange colored cards which will be sent you for this purpose. Please report all F. and D grades for Navy V-12 Pre-Medics to the Office of the Dean of the College on the red colored cards sent you from Dean Lawson's Office. To avoid duplication of effort, it will not be necessary to report F and D grades to this office at the end of the term on the blue cards customarily used for reporting monthly grades. All F and D grades for Navy V-12 students must be delivered to the offices of Dean Lawson and Dean Jones by 9:30 a.m., Feb. 29, 1944
