

REPORTING OF FINAL GRADES

Please report all F and D grades for Navy V-12 engineering students to the Office of the Dean, School of Engineering and Architecture, on the orange and the red colored cards which will be sent to you for this purpose.

Please report all F and D grades for Navy V-12 Pre-Medics to the Office of the Dean, College of Liberal Arts and Sciences, on the red and the orange colored cards sent to you from Dean Lawson's office

To avoid duplication of effort, it will not be necessary to report F and D grades to this office at the end of the term on the blue cards customarily used for reporting monthly grades.

All F and D grades for Navy V-12 students must be delivered to the offices of Dean Lawson and Dean Jones by 9:30 a.m., February 29, 1944. Submit your grades at the earliest possible time since the V-12 trainees leaving at the end of the term must be ready to leave Lawrence on February 29. To avoid risk of any possible delay in the campus mail, Dean Jones has suggested that the cards be delivered personally whenever possible.

LOST BOOKS

Please report any books with Navy V-12 stickers left unclaimed in classrooms. Call K.U. 40 and some one from this office will pick them up.
