MARCH TERM

If you have V-12 students in your classes in the March Term you can be of great assistance to this office if you will write the name of the author and the textbook on the black board at the first meeting of the class.

Each V-12 student is issued a book requisition card which he fills in and presents to this office for his books and instruments. It helps in the issuing of the supplies if the name of the author and the title of the book are recorded correctly on the requisition card. Your cooperation will be appreciated.
