Dr. F. C. Allen  
167 Robinson  
Campus

Dear Dr. Allen:

Bill Morgan has been transferred temporarily as of April 15, 1944, to the Naval Hospital at Olathe for observation. He should not be removed from your class roll. He need not be reported absent in your weekly attendance reports.

Very truly yours,

Leonard H. Axe  
University Director of  
Navy V-12 Program.
