

Thanks for submitting your mid-semester grades so promptly. 99.5 % of the total Blue cards turned in were delivered on May 1. Your promptness expedited the preparation of the new Restriction List and the writing of the letters to the parents of V-12 students.

You may be interested to know that 107 names appear on the restriction list. 22% of the V-12 engineering students' names appear thereon and 20% of the Navy pre-medic students.
