

On Wednesday, May 31, from 11 a.m. to 4 p.m., the V-12 trainees are to be sent in small groups to the Community Building to have chests X-rayed. This will mean a number of irregular absences among V-12 students that day but not such as to prevent holding classes. You are to report these absences as usual.

May we remind you again that the monthly grade report is due Monday, May 29.
