

October 21, 1938.

Mr. C. E. Birch,  
Superintendent of Schools,  
Lawrence, Kansas.

Dear Mr. Birch:

Please forgive me, Superintendent Birch, for not recognizing you in person as I left Cordley School building yesterday after speaking to the Parent-Teachers meeting.

I had intended to step back and speak to you just prior to my leaving, but one of the teachers occupied my attention at the last moment, and I darted out without performing my desired intention.

While I know that you accept these oversights, I want you to know of my high regard for you, and it was altogether unintentional on my part.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
