

December 5, 1944.

Dear Stella:

I want you to know I am happy to have a letter from you and Dick. If there is anything that I can do for either of you, you can rest assured it will be a pleasure.

I really think Dick is a little young for his own happiness so far as athletics are concerned here. Another year in school - in junior college - would be helpful in the matter of maturation.

Write me and let me know what you think. I am sure that Dick has a level enough head to get along in nice shape, but you can count on my guidance and support in every possible way.

Sincerely,
