Mr. Tom Van Cleave, Jr.  
Commercial National Bank  
Kansas City, Kansas

Dear Tom:

I have just checked up and find that \$20.00 is due Bill Brill to this date; namely, November 12. Each month hereafter on the 12th, Bill would appreciate it if you would mail him a check for \$10.00, at 1140 Mississippi Street. I know that it will make him happy to know you people are interested enough in him to extend him this courtesy.

Bill has had a little difficulty with some of his studies but he has made arrangements with Gordon Gray for tutoring, and he is going to definitely get down to even more serious work. Bill is doing a good job with us and I frankly believe if we would have been able to take care of the difficulty earlier in the year, regarding the fraternity and other social adjustments, that he would have been much further along.

Will you please thank Mr. Lacey Haynes for me and tell him at sometime in the very near future I am going to drop in and buy him a luncheon.

It was good to see you Saturday. I am only sorry I did not have a longer time to visit with you.

Please give my kindest regards to that old club shooter-- that good Dad of yours.

Sincerely yours,
