Dear "Doc!"

I received your letter yesterday. It was quite a surprise, but a pleasant one. "Doc" I just don't know how to go about thanking you for the things you have done for me. I want you to know that Mary Virginia and I appreciate every bit of it. I hope there will come a time that I will be able to repay you for your kindness.

During the Physical Education Convention at Wichita, I talked with Mr. Weaver and Mr. Barnett. They seemed to think at that time that a Basketball Coach would not be hired until after next year. I guess something else must have happened. I am very much interested in this position and would like to look into it further if I get a chance to. I have all ready written to Mr. Stark, Mr. Van Slyck and Mr. Weaver. I do hope I hear from them.

At the present time, I am tutoring two boys in Junior High Algebra on a ranch near Walden, Colo. Mr. E.B. Shawver, an oil producer in Wichita, owns this place. His son and another boy lack their credit in Algebra to be able to enter Military School at Rosswell, New Mexico. I imagine we will be here until about the first week in August. However, if it is necessary to go to Topeka for an interview I'll be able to make arrangements.

Thanks again "Doc!"

Sincerely yours,

Ernie Vanek
Walden, Colo.
