Dear Phog:

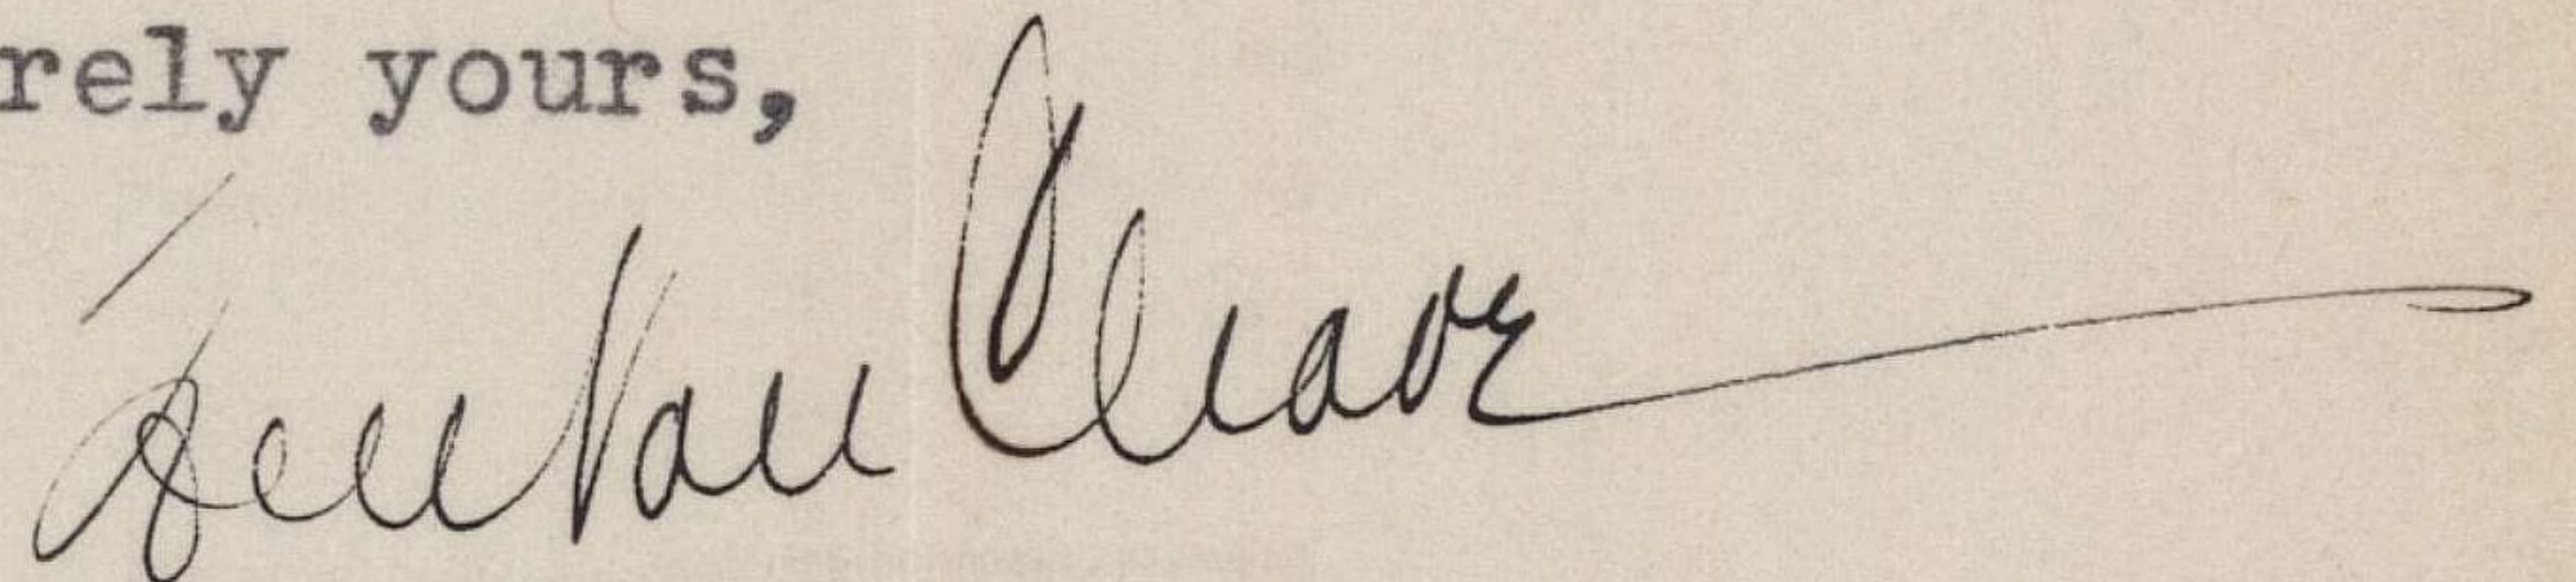

I have your letter of December 27, with enclosures.

Your letter was the first intimation that I had that anyone was criticising the scheduling of twenty basketball games or your entering the team in the Washburn tournament. I am wondering who is responsible for such criticism. It seems to me this is a small matter to criticise anyone about. Certainly you were justified in scheduling the twenty games and in entering the Washburn tournament.

If there is anything you would like to have me do about this matter, please let me know.

I hope you have a Happy and Prosperous New Year and that your team wins all of its basketball games.

Sincerely yours,
