Mr. Solon G. Ayers,  
Superintendent, Haskell Institute,  
Lawrence, Kansas.

Dear Solon:

On behalf of the University of Kansas and her Athletic Association, as well as the basketball team, I desire to thank you so much for the splendid exhibition put on by your students between halves at the basketball game last Saturday night.

It was generous indeed of you to do this and I have heard many wonderful compliments regarding the excellent contribution. Thank you a million. We trust that we will be able to reciprocate your many kindnesses.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
