

April 17, 1939.

Mr. Ernie Vanek,
Herington, Kansas.

Dear Ernie:

Congratulations, my boy, on the good news! I can rejoice with you and your family on the Wichita job.

Also, I want to thank you for your very fine letter of March 22 regarding certain boys. This letter came while I was away from the office, but I want you to know that I do appreciate your interest.

We are inviting the boys who are interested in basketball to come to the gym on the Saturday morning of the Relays and shoot a few goals. This will be a lot of fun for the boys and it will be a good opportunity for them to get acquainted. We are having the new convex backboards put up, and I know that will add a lot of interest.

Again thanks, and with best wishes to you for your continued success, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
