

February 24, 1939.

Mr. Laurence R. Vaniman,
Superintendent of Schools,
Ellis, Kansas.

Dear Superintendent Vaniman:

I have received your letter and check of the 23rd instant, and immediately turned them over to Mr. Earl Falkenstien, financial secretary of the Athletic Association. He will hold the two tickets in your name and you may call for them at the ticket window.

As you doubtless know, there has been a great demand for seats for this game, but I am sure Mr. Falkenstien has done the best he could in the matter of location.

Trusting that you enjoy the game, and with best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
