Director of Athletics,  
Kansas City Power & Light Co.,  
Kansas City, Missouri.

Dear Sir:

We have no men aerial tennis players here, but we do have some women players. We would be glad to arrange for some women's singles and doubles matches in aerial tennis with your women players, and the other matches in badminton.

I hope we can work out something like this to our mutual satisfaction. If you have any suggestions, please write me.

As to the date, I would suggest either Friday, February 3, or Saturday, February 4, as two very good dates. If you wish, we could come to your place to play, or we would be glad to have you come here. Let me know your desire in this matter.

Very truly yours,

James H. Raport,  
Instructor in Physical Education.
