General Campaign Chairman

October 6, 1938

Dear Friend:

Once each year about this time it becomes necessary for the Salvation Army to appeal to the Citizens of Lawrence for funds with which to carry on its Spiritual, Character building, and Charitable work for another twelve months.

A campaign for funds will be made in Lawrence the week of October 10th. The minimum budget necessary to enable the Army to function efficiently is \$2,400.

The work of the Salvation Army in our community is outstanding. Throughout the depression they have been aiding families in an effort to be self-sustaining, lending assistance in emergencies by giving temporary relief, thus preserving the morale and self-respect of the unfortunate.

In other years the larger part of the load has been carried by downtown business men. This year, with an increase in the budget, a larger group must share in this work. Hence members of the University staff and employees are asked to accept a share of this responsibility by making individual contributions on or before next Wednesday, October 13th, and by sending them to the undersigned at 201 Green Hall. Make checks payable to the Salvation Army.

I thank you in advance for your kindly consideration of this matter and trust that I will have the pleasure of receiving a donation from you in keeping with your appreciation of the splendid work being done by the Salvation Army in Lawrence.

Very sincerely yours,

P. W. Viesselman

In charge of University Campaign
