

If you remember you  
will know you wrote  
such a letter for me  
when I made application  
for the U.S. Army Air Corps  
Flying School.

I was successful in  
completing the training  
there at Kelly and receiving  
a reserve Commission  
in the U.S. Army Air Corps  
and my pilots wings.

I am now stationed at  
Selfridge Field with the  
17th Squadron of the 1st  
Pursuit Group.

You will remember  
as the swimming team captain  
in the spring of 1936. Thanking  
you I am sincerely
