Selfridge Field, Michigan.

Gentlemen:

I have been asked by Lt. Ralph L. Pusey to write a letter of recommendation for him so that he may be seriously considered for a competitive examination for a permanent commission in the U. S. Army Air Corps.

I have known Lt. Pusey for six years. For a part of this time he was a student at the University of Kansas. He was an athlete, participating in football, basketball and swimming.

Lt. Pusey is clean, capable and resourceful, and I am very glad to say that I will recommend him without reservation. He knows discipline, and will respond very favorably toward it. He is industrious and has a very firm desire to make definite progress. He is enthusiastic about aviation. During the time he was a student at the University he talked to me many times about the Air Corps.

It is a pleasure to recommend Lt. Pusey to you. In my opinion he is a very worth while young man.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
