# UNIVERSITY CHRISTIAN MISSION UNIVERSITY OF KANSAS OCT. 23-28, 1938

Myers Hall Lawrence, Kansas Friday, Oct. 7, 1938

Dear Dr. Allen

In two weeks we will be at the beginning of our University Christian Mission, and in these two weeks lies our most important work. Your committee has gone ahead splendidly, and now we trust you can climax your plans in the same way.

If we are to coordinate the various activities of each committee, if we are to have our entire program examined and filled in by the national committee before we publish it here, it must be in our hands soon. We are asking that each committee bring to our co-chairman meeting next Thursday, Oct. 13, a written report of every event it expects to have during the Mission Week. We must know the place, time, and date of each meeting. The only exception to this will be the room assignments of meetings on the campus.

In this we will be very appreciative of your full cooperation. If there is anything that we can do to bring you to the completion of your work, do not hesitate to call upon us.

Sincerely yours,

Earl Stuckenbruck.

Sand Strukenbruch

P.S. The meeting Thursday will be held in 111 Frank Strong Hall at 4:30.

# UNIVERSITY CHRISTIAN MISSION UNIVERSITY OF KANSAS OCT. 23-28, 1938

Myers Hall Lawrence, Kansas Thurwday, Oct. 20, 1938

Dear Mr. Allen:

Don't expect anything new in this letter if you were at our last cochairman committee meeting. If you have straight all the good ideas that came out of the crossfire, you can just tear up this letter now without reading another word.

The Retreat will be held at 4:00 Saturday afternoon in the Parish House of the Congregational Church. Each committee is to call its own members about the retreat and do its best to see that all of them are there.

Then, maybe you or your co-chairman want to say a word about some plans of your committee. We shall be glad to hear from you that afternoon if you want to warn the term about anything that is to follow. Only, be sure and let me know Saturday afternoon in the early part of the retreat so that you won't be overlooked.

At the conclusion of the Retreat, those of our committees who want to eat with the team at the Colonial are cordially welcomed to do so.

One more word about the brown st conferences. You or any others of your committee are welcome any morning at 7:30 when the team will be eating in the Union Cafeteria. But most especially do we hope you will see that they come on Wednesday, and as an inducement you can tell them that their meal will be paid on that morning by the local committee.

That's all for this edition. Will be seeing you at the Retreat.

Sincerely,

Carl Strukenbruch

Dean Paul B. Lawson, College of Liberal Arts and Sciences, University of Kansas.

Dear Dean Lawson:

Doubtless you were the motivating influence that prompted the University Christian Mission, and I want to add my congratulations for the fine work that was accomplished. Such outstanding characters as E. Stanley Jones and Dr. T. Z. Noo made a very definite contribution.

I congratulate you on the foresight and leadership in organizing such a formidable coterie for
positive good. While one week will not settle all of
the fundamental questions in the lives of many people
on the campus, yet these experiences will cause them
to ask questions and to ponder, and after all, if
people do that they are more apt to work out answers
for their social and religious contacts.

Permit me to commend you for this wonderful contribution.

Sincerely yours,

Director of Physical Education, Varsity Basketball Coach.

BOOK EXHIBITS: A special book exhibit has been established in the Memorial Union Building during the Mission. You will find many books written by members of the University Christian Mission Team. At any time during the day you are welcome to examine these books.

Dear Dr. Cotton:

We are very happy to welcome you to the University of Kansas as one of the speakers during our University Christian Mission week. It will be a great pleasure to greet you here.

Our committee in charge has assigned you to speak to the Sasnak Club at a dinner meeting Thursday evening, October 27. I might explain that Sasnak (Kansas spelled backwards) is a club composed of students who are majoring in the Department of Physical Education. We have a very active group of young people who will be happy and honored to have you speak to them. These are young, vigorous, clean-limbed and clean-lived people in this group.

The president of Sasnak Club is Dean Nesmith, who is now trainer of all athletic teams. He played three years on the varsity football team. The vice president is Miss Mary Kay Lattner, a charming young woman who is one of the outstanding leaders on the campus. Julia Ruth Henry, the daughter of Mr. Gwinn Henry, our Director of Athletics, is secretary of the club, and the treasurer is Max Replogle, a member of our varsity football and track teams.

Columbus. George Troutman, who is president of the American Association was formerly a member of the faculty at Ohio State.

L. W. St.John, director of athletics at Ohio State, and H. G. Olsen, varsity basketball coach, are particularly good friends of mine.

And of course there is E. N. Manchester, who was director of the library here at the University of Kansas before going to Ohio State. Herschel W. Arant was a member of our Athletic Board, and helped us tremendously when I was director of athletics for the past 18 years. My phsition here now is Director of Physical Education and varsity basketball coach.

I try to drop in at Columbus once or twice a year to visit with friends there.

Looking forward to greeting here on our campus, and with best wishes, I am

Very sincerely yours,

Director of Physical Education, Varsity Basketball Coach.

## UNIVERSITY CHRISTIAN MISSION UNIVERSITY OF KANSAS OCT. 23-28, 1938

Myers Hall Lawrence, Kans. Friday, Oct. 21, 1938

Dear Dean,

This is to give you notice that J. Harry Cotton will appear at the Union Cafeteria, 6:00, Thursday evening for a dinner discussion with the Sasnak Club.

At the conclusion of the discussion, namely 7:30, will you not see that he is escorted to the Hoch Auditorium for the evening meeting with Winnifred Wygal and Herrick B. Young? It would be a splendid climax for the evening if this whole group could come to the evening convocation for these two addresses. One thing we can all bear in mind is this, that these Mission leaders are speaking to university students and not to an adult public. For once, adults will be listening to a group of great men speaking only incidentally to them, but directly to the university gang.

With all best wishes for the finest of evenings I am

Sincerely,

Earl Stuckenbruck

# Student Luncheon Forums---10-15

The people of Lawrence were most responsive to the evening meetings, and gave considerable stability to evening attendances.

# FIRANCE

The budget for this Mission will aproximate \$350. This budget was estimated before the Mission began, and expenditures during the Mission have come very close to it. An itemized account of these expenditures must wait until we have all of them turned in.

# SCOPE AND VALUE:

Through the variety of intimate student discussions and lectures most of the students of the campus must have been touched. Aside from the Convocation where nearly all free students were assembled, these students had other occasions of contact. But some observations seem pertinent. It has been easier to contact organized groups than to reach out into the rooming house district. The dinner discussions have revealed more about the earnest religious thoughts of students and the personal problems that they find on this campus than any other phase of our work. Relations with the faculty have been veryclose and profitable.

# PURPOSE AND CONTINUATIONS

This Mission has strove to do three things: to give Christianity intellectual integrity, to give its principles meaning, and to give Christ first-place in our lives.

Continuation lies in the direction of unifying life around Christian convictions, of applying Christian principles to practical situations, and of cultivating spiritual power.

#### OHGANIZATIONI

The University Christian Mission General Committee represented all student groups and the faculty. This broad foundation was necessary if the Mission was to have a wide appeal. Every effort to continue such cooperative effort without sacrificing our purposes or our effectiveness should be made.

# UNIVERSITY CHRISTIAN MISSION UNIVERSITY OF KANSAS OCT. 23-28, 1938

Lawrence, Kansas Nov. 1, 1938

Dear Mr. Allen:

You already know about the values of this last week from your relationship to it. We can't tell you anything new about the program. We can't tell you anything new about the men and women who were here. And just yet there is not much to report about continuation projects.

But we can tell you how much and how sincerely we have appreciated your effort for this Mission. Little of it is down in black and white, but yours can be the greater satisfaction of knowing that the things you have done have been lived out in a wonderful program.

May we thank you again for your persistent interest and help.

Sincerely,

Dean Paul B. Lawson, chairman Earl Stuckenbruck, secretary

# FINAL REPORT

# MUMBER OF MEETINGS:

About 150 meetings were held with Mission leaders during University Christian Mission Week. There was an average of 10 leaders with us through the week.

A brief summary of the distribution of meetings:

50 evening dinner discussions

30 class lectures

5 noon luncheon forums

3 faculty luncheons

5 convocations

5 non-university engagements

6 evening meetings

28 seminar periods

6 breakfast conferences

3 Ministerial Meetings

7 speical meetings

Many interviews were held with the leaders, how many, we do not know because each leader scheduled most of his intervies himself. But for several of the team, there were more requests for interviews than they had time to give.

# ATTENDANCE:

The attendance at these meetings was remarkably good. As no actual count of people was made at any time, attendance figures can only be an estimate. Beyond saying that the response of students and faculty and town people was splendid, not much need be said. By far the greatest number of our meetings were held with groups where the membership was definite. Only at evening meetings, seminars, some speckal meetings, noon luncheons, and breakfast conferences was there much chance for variable attendance.

Large Meetings:

Sunday evening -- 2,000-2,500

Monday convocation -- 3,000

Monday evening -- 1,000-1,200

Tuesday evening -- 500-600

Wednesday evening -- 1,000

Thursday evening -- 400-500

Friday evening -- 1,500-1,800

Seminars:

Two of them ran around 80
One from 25 to 80
One about 40
One about 20
One, 10-15
One, 5-12

Breakfast Conferences--25-40
