Dear Dean,

This is to give you notice that J. Harry Cotton will appear at the Union Cafeteria, 6:00, Thursday evening for a dinner discussion with the Sasnak Club.

At the conclusion of the discussion, namely 7:30, will you not see that he is escorted to the Hoch Auditorium for the evening meeting with Winnifred Wygal and Herrick B. Young? It would be a splendid climax for the evening if this whole group could come to the evening convocation for these two addresses. One thing we can all bear in mind is this, that these Mission leaders are speaking to university students and not to an adult public. For once, adults will be listening to a group of great men speaking only incidentally to them, but directly to the university gang.

With all best wishes for the finest of evenings I am

Sincerely,

Earl Stuckenbruck
