Mr. Solon Ayers,
Haskell Institute,
Lawrence, Kansas.

Dear Solon:

On behalf of the Lawrence Country Club I wish to thank you, Madison Coombs, Jeff King and his splendid troop of boxers in entertaining us at the Lawrence Country Club last night. You have always been most gracious in cooperating with everybody in the community, and this is an added attestation of your generosity and kindness.

If you will kindly extend the thanks of the Country Club to all of your Haskell emissaries who made our evening glad, I will appreciate it very much.

Very sincerely yours,

FCA:AH

President.
