Myers Hall
Lawrence, Kansas
Thursday, Oct. 20, 1938

Dear Mr. Allen;

Don't expect anything new in this letter if you were at our last co-chairman committee meeting. If you have straight all the good ideas that came out of the crossfire, you can just tear up this letter now without reading another word.

The Retreat will be held at 4:00 Saturday afternoon in the Parish House of the Congregational Church. Each committee is to call its own members about the retreat and do its best to see that all of them are there.

Then, maybe you or your co-chairman want to say a word about some plans of your committee. We shall be glad to hear from you that afternoon if you want to warn the team about anything that is to follow. Only, be sure and let me know Saturday afternoon in the early part of the retreat so that you won't be overlooked.

(At the conclusion of the Retreat, those of our committees who want to eat with the team at the Colonial are cordially welcomed to do so.

One more word about the breakfast conferences. You or any others of your committee are welcome any morning at 7:30 when the team will be eating in the Union Cafeteria. But most especially do we hope you will see that they come on Wednesday, and as an inducement you can tell them that their meal will be paid on that morning by the local committee.

That's all for this edition. Will be seeing you at the Retreat.

Sincerely,

Carl Sturtevant
