Dear *Dr. Allen*:

In two weeks we will be at the beginning of our University Christian Mission, and in these two weeks lies our most important work. Your committee has gone ahead splendidly, and now we trust you can climax your plans in the same way.

If we are to coordinate the various activities of each committee, if we are to have our entire program examined and filled in by the national committee before we publish it here, it must be in our hands soon. We are asking that each committee bring to our co-chairman meeting next Thursday, Oct. 13, a written report of every event it expects to have during the Mission Week. We must know the place, time, and date of each meeting. The only exception to this will be the room assignments of meetings on the campus.

In this we will be very appreciative of your full cooperation. If there is anything that we can do to bring you to the completion of your work, do not hesitate to call upon us.

Sincerely yours,

Earl Stuckenbruck
Earl Stuckenbruck.

P.S. The meeting Thursday will be held in 111 Frank Strong Hall at 4:30.
