

Thursday

Dear Dr. Allen: - you are such a busy man, I've decided it would be easier to reach you by note.

I do appreciate your taking such good care of us, out the pocket full - young Lyle is so pleased and happy with it. Thank you a lot for your trouble.

My visit with Lyle was ideal - just not very easy. He seemed to be very well - not quite so worn out as when we saw him last summer.

Give my love to Mrs. Allen, I want to come and see her soon.

Sincerely yours
Gerry Arnold
