Mr. Bob Ulrich  
Wichita, Kansas

Dear Bob:

I have looked over your transcript and find that you have 84 hours credit in various subjects. However, many of your subjects could not be used in the physical education curriculum. You apparently have a minor in mathematics.

If you want to major in physical education, you would need 75 hours work, or about 5 semesters in addition to the work you now have. You will need 36 hours in physical education, 21 hours in education, plus general biology, zoology, physiology, human anatomy, fundamentals of speech and two more hours of English composition and literature, a total of 18 hours in addition to your education and physical education. Should you decide to embark on a program of physical education, you should transfer to the School of Education.

I am enclosing a circular which will give you some idea of the physical education program. It is not quite up to date but is approximately so.

Very sincerely yours,

Henry A. Shenk  
Chairman of the  
Department of Physical Education

Dear Don:

I acknowledge receipt of your letter of March 9 and in accordance with your request have called Mr. Clyde Baker, Ticket Manager, Municipal Auditorium, 1310 Wyandotte Street, Kansas City 6, Missouri, and made reservations for 6 \$2.00 tickets for you.

I asked Mr. Baker to deduct the price for a special delivery letter and the \$12.00 for the tickets and to enclose your balance with the tickets. The tickets arrived in Kansas City today and so you should receive yours soon.

Sincerely,

Director of Physical Education,  
Varsity Basketball Coach.

Dr. Forrest Allen,  
Lawrence, Kansas.

Dear Dr. Allen:

I wonder if there is a possibility of securing six tickets for the Kansas-Oklahoma A. + M. basket ball game of Mar. 18.

I have learned the prices of admission are one, two and three dollars.

I would prefer the three dollar tickets if they are available but would be happy with any price ticket if there are any left for sale.

I'm enclosing a check of \$20. for payment of the tickets if there is yet the chance of buying them.

I will appreciate any help in securing the tickets. I hope this isn't inconveniencing you too much.

Thanking you I am

Sincerely yours

Donald C. Phenhop

Dear Sir:

I wish to advise you that we no longer have  
a varsity rifle team here at the University of Kansas.

Sincerely,

McPherson Junior High School,  
McPherson, Kansas.

Dear "Dutch":

Answering your good letter of the 15th instant, I would say that if the young man has a contract signed with the New York Yankees that he is ineligible to participate. It is too bad that these kids sign these contracts, when by signing they do their own selves an irreparable injury and benefit from it not a whit.

I wish that there was something that we could do, but the rule is clearly against it.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.

Dear Fog;

There is a young man from McPherson who plans to attend Kansas University when he gets out of the service. He is quite anxious to know whether or not he will be eligible to participate because he has a contract with the New York Yankees. In a try out a few years ago, he was the only one selected out of 300 participants at Kansas City. He has not received any pay, nor did he receive a bonus for signing. Does this make him ineligible?

He is an outstanding student making mostly A grades and was an outstanding athlete of McPherson High School, especially basketball. His name is Lt. Vance Carlson. I am sure he would make you a valuable player and one of the very few McPherson basketball players that I have felt would make your squad. His parents are wealthy enough, I believe, that he will be able to go to school without financial help.

Please let me know as soon as possible as he and his father are quite anxious to know whether he will be eligible to participate.

Sincerely yours,

*R. "Dutch" Uhrlaub*
