

"scuttlebutt" about his death,
but just couldn't believe it
was true. I guess lives must
be sacrificed to win a war,
but I will never understand why
it must be the choice that
all take.

I was one of the unfortunate
few that was not in on the
big show out here, but am
expecting to get my cracks at
them in the not too distant
future. One of our K. U. boys
was in that operation, but
have not heard how his boat
